ASHA CE
Continuing Education

American Speech-Language-Hearing Association
Award for Continuing Education

The Continuing Education Board (CEB) of the American Speech-Language-Hearing Association (ASHA) takes great pleasure in informing you that Mrs. Janice E Passacantando was granted a 1st Award for Continuing Education (ACE) on March, 2021. Speech-Language Pathologists and Audiologists may meet the requirements of the ACE by earning seven ASHA Continuing Education Units (CEUs) which is equivalent to 70 contact hours in a thirty-six month period.

Credit toward the ACE must be earned within a three-year period; however, some individuals complete the requirements in less time and are awarded successive ACEs in less than three years.

ASHA encourages professionals to continue learning throughout their professional career and to maintain current knowledge and skills. To facilitate this, we approve providers to offer relevant continuing education activities, and we recognize professional participation through the ACE.

Mrs. Janice E Passacantando joins a select group of individuals who have made a concerted, personal effort to continue professional learning beyond an academic degree. We hope you share our pride in this accomplishment.

Sincerely,

Jo Ann Linseisen, Director
ASHA Continuing Education

Tanya Shores, Ed.D. CCC-SLP, Chair
ASHA Continuing Education Board
